Bangladesh

The beauty with calm nature

Bangladesh a member of SAARC country is located in South-East Asia. On December 16, 1971 with historical dignity of Great Liberation War & sacrifice of 3 million martyrs the map of the world was glorified by the birth of a brave nation, Bangladesh. It is a land of evergreen nature, moderate climate, ganeous delta region and history, tradition, society of thousand years. Bangladesh is the darling child of nature decorated with hills, rivers and sea. This is the only nation of the world who laid down their lives to establish the mother tongue Bangla, in honour of which 21st February is celebrated as International Mother Language Day. The longest sea beach of the world Cox's Bazar and one of natural wonders of world the mangrove forest Sundarban is located in Bangladesh. In short, Bangladesh can be termed as- "Gift of nature Asset of blood ..."

Comilla

Comilla is a historical place. It is one of the metropolitan city of Bangladesh. Comilla has a significant past with traditional touch of three thousand years old society formed at the bank of famous river Gomati. Once it was the capital of Tripura. The city is renowned for places of historical importance like Mainamoti Shalbon Bihar, War Cemetery (2nd world war), Jogonnath Temple, Adinath Temple, Shah Suja Mosque etc. With the flow of time, Comilla has now emerged as a Model City excelling in Education, Health Sector, Industry & others.

ACQUAINTANCES from cover

- Hippocrates-the father of Medical Science**
Hippocrates was born around 460 BC on the island of Kos, Greece. He became known as the founder of medicine and was regarded as the greatest physician of his time. He based his medical practice on observations and on the study of the human body. He held the belief that illness had a physical and a rational explanation
- Pieree Fouchard-Father of Dentistry**
Dentistry was established as a speciality of Medical Science with the publication of LE CHIRURGIEN DENTISTC by pierree forchard in 1728
- Rudolf Ludwig Carl Virchow-Father of Pathology**
Rudolf Virchow was a German physician, anthropologist, pathologist, prehistorian, biologist, writer, editor, and politician, known for his advancement of public health. He is known as the father of modern pathology.

- Herophilus-Father of Biology**
Herophilus is often called the father of anatomy. All of his writings, including his book "On Anatomy" have been destroyed. Herophilus described the delicate arachnoid membranes, the ventricles.
- Abuali Ibn Sina -Father of early modern medicine**
Avicenna was a Persian polymath who is regarded as one of the most significant physicians, astronomers, thinkers and writers of the Islamic Golden Age. He has been described as the father of modern medicine.
- Aristotle- Father of Biology**
"In the 4th century BC the Greek philosopher Aristotle traveled to Lesbos, an island in the Aegean teeming, then as now, with wildlife. His fascination with what he found there, and his painstaking study of it, led to the birth of a new science — biology.
- Antoine-Laurent de Lavoisier- Father of modern Chemistry**
Lavoisier was a French nobleman and chemist who was central to the 18th-century chemical revolution and who had a large influence on both the history of chemistry and the history of biology. He is widely considered in popular literature as the "father of modern chemistry."
- Antonie Philips van Leeuwenhoek was a Dutch businessman and scientist in the Golden Age of Dutch science and technology.**
A largely self-taught man in science, he is commonly known as "the Father of Microbiology"

9. In Ancient Concepts of the Hippocratic, Lesley Dean-Jones and Ralph Rosen have gathered 19 international authorities in ancient medicine to identify commonalities among the treatises of the Hippocratic. The oath of Hippocrates, which is internationally established, has these values and attitudes that every healer should have.

10. Abu Bakr Mohammad Ibn Zakariya al-Razi, known in the West as Rhazes, was the leading scholar of the early Islamic world. His stature is comparable only to that of Ibn Sina a century later. Influenced by Hippocrates and classical Greek medicine, Al Razi wrote numerous books on a range of medical and scientific subjects.

From the Desk of CHAIRMAN

Founded in 2005, Eastern Medical College is one of the leading Medical Institutes that has entered its 15th Glorious year. Currently Eastern Medical College is a unique Educational Institution in South East Asia. After a decade it has now achieved international standard with experienced faculty members. Preference by foreign students for Medical Education in Bangladesh is increasing day by day. Graduates of this Institute, Bangladeshis as well as from India, Nepal, Germany and UK have achieved significant success in their chosen fields of speciality and many have moved on to complete Post Graduation in different parts of the world. Our College Campus is well planned with hospital & faculty building of different departments having enough space which is free from public gathering. We have spacious, cozy boys and girls hostels the type of "home away from home" inside the College Campus area, which is representing a comfortable Medical Academic Environment. Besides education, students are engaged in different extra curricular activities like cultural activities, debate competition, indoor and outdoor sports etc. Eastern Medical College authorities' strategic plan is focused only on Medical Education. We welcome you to join the noblest profession and serve the humanity. Thanks to all.

Shah Md. Selim Ph.D
Founder Chairman & Managing Director
EMCH
Founder General Secretary
Bangladesh Private Medical Association (BPMCA)

From the Desk of CHIEF ADVISOR

As Comilla is situated in the eastern region globally & nationally so our beloved Institution is named as Eastern Medical College (EMC). Though so many Medical Colleges are established now, still there is a crisis of doctors at home and abroad. EMC provides both native & foreign students in equal strength. Already the academic & structural scenario acquired national standard.

Peoples of greater Comilla are getting low cost treatment and investigation facilities from indoor, outdoor & emergency wings of Eastern Medical College Hospital (EMCH). Majority of the directors of managing committee are senior expert Medical Professionals who has taken the responsibility of teaching and management. The teachers are not only busy with teaching & management but they also review progress of study through phase committee.

Principal of EMC has started one online system by which the guardians can easily know the information of their incumbent from anywhere. Finally I can say after completion of 5 yrs study and one year internship in EMC every student becomes a physician who can serve the humanity in a global standard.

Allah Hafez. Joy Bangla.

Prof. Dr. Musleh Uddin Ahmed
MBBS, MTM, FRCP(Glasgow), Fellow WHO
Professor & Head, Dept. of Transfusion Medicine, EMCH Comilla.
Ex. Principal (Comilla Medical College, Comilla).

From the Desk of PRINCIPAL

May Allah bless all of you who have decided to tread the path of Medical Education. I invite you all to join us in this exiting journey. The campus is all what a student & teachers would dream of. Hostel environment of Eastern Medical College is what one would term as "Home away from home". We at Eastern Medical College are always there for you, at any time of the day or night to parent you, guide you, help you to mould yourself into that perfect human being who is capable of dedicating himself to the service of mankind. Our dedicated, experienced and highly qualified batch of teachers have vowed to make Eastern Medical College a role model of Medical Institute in Bangladesh.

Prof. Dr. Golam Samdani
MD. MS. Ph D. FACS. FICS

From the Desk of VICE PRINCIPAL

Present world is developing so fast that it is often difficult to keep pace with pave, still there is no alternative to go in front and facing challenges of the time. Physicians & Surgeons are eliminating many diseases by their efforts but many life threatening disease like Cancer, End stage Renal and Hepatic disease, Diabetes Mellitus, Multiple Injuries and Drug resistant Tuberculosis are knocking over our Neck. We have to fight against these borderless problems with uniform effort and run hand to hand with developed countries. Eastern Medical College & Hospital, Comilla, Bangladesh is a reputed private Medical college having good results under the University of Chittagong with dedicated, experienced & highly qualified teachers and best hostel facilities. Let us join in this Journey of Medical Education to serve the distress & humanity.

Bengal Tiger
Major Gani Hall
Boys Hostel 336 BEDED

Major Gani was a valiant officer of Armed Forces Division, who organized First East Bengal Regiment on 15th February 1948. He was born in Nagais village under Brahmmanpara Upazilla of Comilla district on 1st December 1915. He studied initially in Comilla, and later in Calcutta, where in 1940, he graduated from Calcutta Islamia College. Major Abdul Gani joined the British Indian Army in 1941. During Second World War he was commissioned as a lieutenant, and fought in Burma sector. As a mark for his courage, he was nicknamed "Tiger Gani". Following the partition of India, he was promoted to the post of Captain in 1948. The first and second Battalion of East Bengal Regiment were formed in 1948 and 1949 respectively at the initiative of Major Gani. He retired from Army in 1954. Gani joined politics in 1954. Eastern Medical College Authority has named the Boys hostel as "Major Gani Hall" in honor of him.

SHANTI-SUNITEE HALL
Girls Hostel 324 BEDED

In the Political History of Comilla the names of two great ladies **Santi & Sunitee** are highly remembered for their active role against British rules in the sub-continent. Santi Ghosh, daughter of Professor Deben Ghosh of Comilla College while Sunitee Chowdhury resided at Digomboritola of Comilla City. Both of them studied in class VIII. 14 December 1931 Santi & Sunitee went to the residence of the then DC of Comilla seeking permission to swim in Dharmosagor. The DC accorded them requested permission & while he was getting upstairs Santi & Sunitee brought out their Pistol & shot dead District Magistrate Charls Geofrikarkland. This incidence woke up all general & revolutionary people against British rules. Due to under age Santi Ghosh was sent to Andaman Island. After Independence of India in 1947, these two ladies were released from jail and they opted to stay in Kolkata City of India. Santi Ghosh was later elected as a Member of Parliament of India. Sunitee Chowdhury devoted herself to Medical Profession.
